INDEPENDENT AUDITOR'S REPORT

To the Members of Green Asia Impex Limited (formerly known as Green Asia Impex Private Limited)

Report on the Audit of the Financial statements

Opinion

We have audited the accompanying financial statements of Green Asia Impex Limited (formerly known as Green Asia Impex Private Limited) ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss for the year then ended, the Cash Flow Statement for the year ended and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its "Profit" and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) as specified under Section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the financial statements* section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our Audit of the aforesaid financial statements;
- (b) In our opinion, proper books of account as required by Law have been kept by the Company so far as it appears from our examination of those Books;
- (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of financial statements;
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a Director in terms of Section 164 (2) of the Act;

- (f) With respect to the adequacy of the internal financial controls with reference to financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;
- (g) In our opinion, the managerial remuneration for the year ended March 31, 2026 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. In terms of the information and explanations given to us and as disclosed in the financial statements, the Company has disclosed the impact of pending litigations on its financial position in its financial statements (Refer Note 29). These include a demand of Rs. 788.69 lakhs under the Income Tax Act, 1961, relating to Assessment Year 2022-23, which is currently under appeal before the Commissioner of Income-tax (Appeals). The Company has disclosed this demand as a contingent liability in Note 30 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company;
 - iv.
 - (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries, and
 - (c) Based on the audit procedures adopted by us that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations made by the Management under sub clause (a) and (b) above, contain any material misstatement.
 - v. No dividend has been declared or paid during the year by the Company.

- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with, in respect of accounting software(s) where the audit trail has been enabled. Additionally, the audit trail of prior year has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded in the prior year.

Annexure – “A”

Referred to in Paragraph under the heading “Report on other legal and regulatory requirements” of our report of even date on the Financial Statements of Green Asia Impex Limited (“The Company”)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- i. (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
(B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) All Property, plant and equipment have not been physically verified by the management during the year but there is a regular program of verification which, in our opinion is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) The title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favor of the lessee) disclosed in notes to the financial statements are held in the name of the Company.
- (d) The Company has not revalued its property, plant and equipment or intangible assets during the year ending March 31, 2026.
- (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- ii. (a) Physical verification of inventory has been conducted at reasonable intervals by management. In our opinion, the coverage and procedure by the management is appropriate. The aggregate of discrepancies of 10% or more in each class of inventory noticed have been properly dealt with in the books of account.
- (b) The quarterly returns/statements filed by the company with banks/financial institutions are in agreement with the books of the company.
- iii. (a) During the year the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(a) of the Order is not applicable to the Company.
- (b) During the year the Company has not made investments, provided guarantees, provided security and granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(b) of the Order is not applicable to the Company.

- (c) The Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(c) of the Order is not applicable to the Company.
- (d) The Company has not granted loans or advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(d) of the Order is not applicable to the Company.
- (e) There were no loans or advance in nature of loan granted to companies, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(e) of the Order is not applicable to the Company.
- (f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.

Annexure – “B”

Referred to in Paragraph 2(f) of our report of even date on the Financial Statements of Green Asia Impex Limited (“The Company”)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (Act)

We have audited the internal financial controls over financial reporting of **Green Asia Impex Limited** (“the Company”) as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (“the Act”) as amended.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable, to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company’s internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and

dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements .

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Note 1: Material Accounting Policies

1.1 Material Accounting Policy Information

The company has assessed the materiality of the accounting policy information which involves exercising judgements and considering both qualitative and quantitative factors by taking into account not only the size and nature of the item or condition but also the characteristics of the transactions, events or conditions that could make the information more likely to impact the decisions of the users of the financial statements.

1.2 Basis of preparation of financial statements

The Financial Statements have been prepared in accordance with the generally accepted accounting principles in India. The company has prepared these financial statements under the historical cost convention on accrual basis to comply in all material respects with the accounting standards specified under section 133 of the Companies Act, 2013 read with Rule-7 of the Companies (Accounts) Rules, 2014 as amended. The accounting policies have been consistently applied by the company. All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle. The company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

1.3 Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification.

An asset is treated as Current when it is,

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

1.4 Functional and presentation currency

These financial statements are presented in Indian Rupees lakhs (INR lakhs), which is the Company's functional currency.

1.5 Critical accounting estimates, Assumptions and Judgements

The preparation of the financial statements requires management to make judgments, assumptions and estimates, that affect the reported balances of assets and liabilities and disclosures as at the date of the Financial Statements and the reported amounts of income and expense for the periods presented.

The estimates and related assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected. The estimates and assumptions that have a significant risk causing a material adjustment to the carrying values of assets and liabilities within the next financial year are discussed below.

1.5.1 Useful lives of property, plant and equipment (PPE') and intangible assets

Management reviews the estimated useful lives and residual value of PPE and Intangibles at the end of each reporting period. Management also engages technical experts to reassess the useful lives of key plants and machineries.

Factors such as changes in the expected level of usage, technological development, units-of-production and product life cycle, could significantly impact the useful economic lives and the residual values of these assets. Consequently, the future depreciation and amortisation charge could be revised and may have an impact on the profit of future years.

1.5.2 Valuation of finished goods

The production process of the company involves producing finished goods of various varieties having different processes of production. Significant management judgment is involved in allocating the cost of raw material to various sizes and in allocating the common overheads both fixed and variable to various varieties.

1.5.3 Employee Benefit obligations

Employee benefit obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments. These include the estimation of the appropriate discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, the employee benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

1.6 Material accounting policies

The preparation of financial statements requires the management of the Company to make estimates, judgements and assumptions that affect the reported balances of assets and liabilities and disclosures of contingent liabilities at the date of the financial statements and reported amounts of income and expense during the year. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Accounting estimates could change from period to period. Actual results could differ from those estimates. Changes in estimates are reflected in the financial statements in the period in which the changes are made and, if material, their effects are disclosed in the notes to financial statements

This note provides a list of material accounting policies adopted during the preparation of these financial statements which have been consistently applied to all the years presented, unless otherwise stated.

1.6.1 Foreign currency translation

On initial recognition, all foreign currency transactions are translated into the functional currency using the exchange rates prevailing on the date of the transaction. As at the reporting date, foreign currency monetary assets and liabilities are translated at the exchange rate prevailing on the Balance Sheet date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets which are capitalised as cost of assets.

In case of an asset, expense or income where a non-monetary advance is paid/ received, the date of transaction is the date on which the advance was initially recognised. If there were multiple payments or receipts in advance, multiple dates of transactions are determined for each payment or receipt of advance consideration.

1.6.2 Government Grant

Government grants that require compliance with certain conditions related to the Company's operating activities or are provided to the Company by way of financial assistance on the basis of certain qualifying criteria.

Government grants are recognised when there is reasonable assurance that the grant will be received upon the Company complying with the conditions attached to the grant. Accordingly, government grants:

- (a) related to or used for assets, are deducted from the carrying amount of the asset.
- (b) related to incurring specific expenditures are taken to the Statement of Profit and Loss on a systematic basis over the periods in which the entity recognises as expenses the related costs for which the grant is intended to compensate.
- (c) by way of financial assistance on the basis of certain qualifying criteria are recognised as they become receivable.

In the unlikely event that a grant previously recognised is ultimately not received, it is treated as a change in estimate and the amount cumulatively recognised is expensed in the Statement of Profit and Loss.

1.6.3 Taxes on income

Current Tax

Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities and the amounts used for taxation purposes (tax base), at the tax rates and tax laws enacted or substantively enacted by the end of the reporting period.

Deferred tax assets are recognised for the future tax consequences to the extent it is probable that future taxable profits will be available against which the deductible temporary differences can be utilised.

Income tax, insofar as it relates to items disclosed under other comprehensive income or equity, is disclosed separately under other comprehensive income or equity, as applicable.

1.6.4 Cash and Cash Equivalents

Cash and cash equivalents comprise of cash on hand, cash at banks, short-term deposits and short-term highly liquid investments that are readily convertible to known amounts of cash, and which are subject to an insignificant risk of changes in value.

1.6.5 Non - Current Investments

Long-term investments are accounted at cost and carried at cost. If there is a decline, other than temporary, in the value of a long term investment, the carrying amount is reduced to recognise the decline.

Cost of an investment includes acquisition charges such as brokerage, fees and duties. Current investments may be carried at the lower of cost and net realizable value.

On disposal of an investment, the difference between the carrying amount and the disposal proceeds, net of expenses, is recognised in the profit and loss statement.

When disposing of a part of the holding of an individual investment, the carrying amount to be allocated to that part is to be determined on the basis of the average carrying amount of the total holding of the investment.

1.6.6 Inventories

Items of inventories are measured at lower of cost determined on FIFO basis and net realizable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present location and condition.

1.6.7 Revenue recognition

Revenue from Customers is recognized when the control of goods or services is transferred to the customer, in an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Revenue is measured based on the transaction price specified in the contract with the customer and excludes amounts collected on behalf of third parties (such as goods and services tax).

The Company derives revenue primarily from the following sources:

i. **Export of Processed Shrimp:**

Revenue is recognized upon shipment of goods or upon delivery, based on the incoterms agreed with the customers. Export incentives, if any, are recognized on accrual basis when there is reasonable assurance of collection.

ii. **Sale of Biological Produce (Harvested Shrimp):**

Revenue is recognized on delivery of goods to customers.

iii. **Freight and Insurance Recovery:**

Where such services are included in the sale agreement and are distinct performance obligations, they are accounted for separately and recognized over the period of service delivery.

iv. **Revenue from Government Subsidies/Incentives:**

Recognized when there is reasonable assurance that the entity will comply with the conditions and the incentives will be received.

v. **Other Income:**

Other income comprises primarily interest income on margin money deposits, inter corporate loans, dividend income, gain/ (loss) on disposal of property, plant and equipment. Any gain or loss arising on de-recognition of property, plant and equipment is calculated as the difference between the net disposal proceeds and the carrying amount of the asset.

Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

1.6.8 Property, Plant and Equipment:

a) Property, Plant and Equipment

The Initial cost of property, plant and equipment comprises its purchase price, including non-refundable duties and taxes, attributable borrowing costs of bringing an asset to working condition and location for its intended use. It also includes the present value of the expected cost for the decommissioning and removing of an asset and restoring the site after its use, if the recognition criteria for a provision are met.

Expenditure incurred after the property, plant and equipment have been put into operation such as repairs and maintenance are normally charged to the statement of profit and loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred.

Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized net within other income/ other expenses in statement of profit and loss.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss, when the asset is derecognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

b) Capital Work in progress

Assets in the course of construction are capitalized to capital work in progress account. At the point when an asset is capable of operating in the manner intended by the management, the cost of construction is transferred to the appropriate category of property, plant and equipment.

Costs associated with the commissioning of an asset are capitalized when the asset is available for use.

c) Depreciation

Assets in the course of development or construction and freehold land are not depreciated. Depreciation is provided on other property, plant and equipment when the assets are ready for their intended use. Depreciation is calculated on the depreciable amount, which is the cost of an asset less its residual value. Depreciation on tangible assets has been provided on the Written Down Value method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Asset	Useful Life in Years
Plant & machinery	15
Furniture & fittings	10
Computers	3
Office equipment	5
Vehicles	8
Buildings	30

Depreciation methods, useful lives and residual values are reviewed at each financial year end and changes in estimates, if any, are accounted for prospectively.

1.6.9 Impairment of Assets

The company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the company estimates the recoverable amount of the assets. If such recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount.

The reduction is treated as an impairment loss and is recognized in the profit and loss account. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reversed and reflected at the recoverable amount subject to a maximum of depreciated historical cost.

1.6.10 Borrowing Cost

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds.

Handwritten signature

Borrowing Cost directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use. Qualifying assets are those assets that necessarily take a substantial period of time to get ready for their intended use. Other borrowing costs are recognized as an expense in the period in which these are incurred.

1.6.11 Provisions

A provision is recognized when the company has a present obligation as a result of past event i.e., it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation in respect of which a reliable estimate of the amount of the obligation can be made.

Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each reporting date and adjusted to reflect the current best estimates. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

1.6.12 Contingent Liabilities

Disclosure of contingent liability is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of amount cannot be made.

1.6.13 Employee Benefits:

i. Short term employee benefits:

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

ii. Post-employment benefit:

a. Defined contribution plans

The company deposits the contributions for provident fund and Employee State Insurance to the appropriate government authorities and these contributions are recognized in the statement of Profit & Loss in the financial year to which they relate.

Handwritten signature

b. Defined benefit plans

The company pays gratuity to the employees who have completed five years of service at the time of resignation/superannuation. The gratuity is paid @ 15 days salary for every completed year of service as per the Code on Social Security 2020.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

1.6.14 Earnings Per Share

i. Basic Earnings Per Share:

Basic Earnings per share is calculated by dividing the Profit attributable to Owners of the Company by the weighted average number of equity shares outstanding during the financial year.

ii. Diluted Earnings Per Share:

Diluted Earnings per Share adjusts the figures used in determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming conversion of all dilutive potential equity shares.

1.6.15 Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

(i) There are no capital work in progress whose completion is overdue or has exceeded its cost compared to its original plan.

(ii) The title deeds of the properties are in the name of the company.

(iii) No proceedings have been initiated or pending against the company, for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended from time to time) and the rules made thereunder.

(iv) During the year, the Company received Government Investment Subsidy of ₹ 15.05 Lakhs under the Andhra Pradesh Food Processing Policy in respect of its eligible investment in Property, Plant and Equipment. The related plant and machinery had been capitalised in earlier years out of the Company's own funds.

In accordance with the Company's accounting policy on Government Grants and Accounting Standard (AS) 12, the subsidy received during the year has been adjusted against the carrying amount of the related Property, Plant and Equipment. Accordingly, depreciation on the related assets will be charged prospectively based on the revised carrying amount.

The Company has applied for a higher amount of subsidy under the said scheme. However, as at the reporting date, the receipt of the balance subsidy is subject to fulfilment of the prescribed conditions and approval by the competent Government authorities. Since there is no reasonable assurance regarding its receipt, no asset or income has been recognised in respect of the unrecieved portion.

(v) The company has not revalued its Property, plant & equipment and intangible assets during the year under report.

(vi) There are no intangible assets under development as at March 31, 2026. (Previous year - Nil).

Income Tax Act	Income Tax	734.45	FY 2021-22	Commissioner Of Income Tax, Appeal, NFAC, Delhi

The Company has an outstanding disputed Income Tax demand of ₹788.69 lakhs for the Assessment Year 22-23 arising out of additions made under Section 68 and Section 41(1) of the Income Tax Act, 1961. The Company has contested the assessment and filed an appeal before the CIT(Appeals).

Pursuant to the stay order issued by the Income Tax Department, the Company was required to pre-deposit 10% of the disputed demand (amounting to ₹78.87 lakhs) in 10 monthly instalments. As on 31st March 2026, the Company deposited 7 installments aggregating to amount of ₹ 54.25 lakhs (PY: ₹ 29.62) towards the pre-deposit.

The balance remaining towards the 10% pre-deposit comprising 3 remaining installments equals to ₹24.62 lakhs. The Company submitted a representation requesting an extension of time up to 31st December 2026 to clear the balance pre-deposit installments due to operational cash flow constraints caused by export market conditions.

Based on legal and tax expert evaluations, the management believes that the Company has a strong case on merits and that the probability of an ultimate outflow of economic resources is remote/not probable. Consequently, no provision has been made in the
